 Andy Demo is committed to providing the best education possible for your child. To this end, you now have the ability to securely view information about your child through the Parents APP.  
 Click on the link below to access your child's records. Please ensure that you copy and keep the User ID.  
 After you have logged on for the first time you are then able to change your password but not your User ID. If you have more than one child you will receive another user name and log in. You only need to use one log in to access all things. You can swap children's records by just clicking on their picture on the APP.  
 After you have logged in you should change your password. You can then use your respective APP store - Google PLAY or Apple App Store and search for "ETAP". Then click on the @School APP option. You will then be prompted to enter your ID and the new password you just created.  
 Click the following link to log on with your default or current password  
 Thank you,  
 Andy Demo
