

Statement (draft) from Ministry of Education/Minister to Support Schools with Reporting to Parents

As part of our focus on lifting student achievement we have introduced new, knowledge-rich and internationally-comparable curriculum this year for Maths in Years 0–8 and English in Years 0–6, and Te Reo Rangatira Years 0-6 and Pāngarau Years 0-8 wāhanga ako.

This means we are currently changing from the old to the new curriculum. We want to acknowledge that schools and kura will only have been using the new curricula from the start of 2025, which includes new teaching and assessment methods and content.

Because of this you could see a change in your child's progress or achievement compared to previous years which may be the result of changes in the curriculum expectations for your child's year level. If you have concerns or questions about your child's achievement, we strongly suggest you talk with your child's teacher or kaiako. They will also have used their own observations, classroom tasks and other tests to report on the progress your child is making.
